

Project – Famous building

- This week the children could work on a project based on a famous building of their choice.
- They can complete these projects in their scrap books.
- They should display the name of the building at the top of the page.
- They should include a drawing or pictures of the building.
- They can complete the rest of the page with information (such as what country it is in, what it was/is used for, when it was built, how tall it is, a physical description etc.) about the building, either written or typed.
