

## Owls

Talk about the photographs.

Barn Owl

Long-eared Owl

Short-eared Owl

The long-eared owl, the barn owl and the short-eared owl live in Ireland. Most owls are nocturnal which means they are active at night. A baby owl is called an owlet. A group of owls is called a parliament. Owls like to eat insects and other small mammals.

Answer the questions.

1 What is a baby owl called?

---
