

Irish Seals

Talk about the photographs.

Grey Seal

Harbour Seal

The grey seal is found on rocky coastlines. Grey seal pups are covered in soft, white fur.

Harbour seals like calm water. They are smaller than grey seals. Harbour seals have v-shaped nostrils.

Complete the sentences.

- 1 _____ seals are found on rocky coastlines.
- 2 _____ seals have v-shaped nostrils.
- 3 _____ seals like calm water.
- 4 _____ seal pups are covered in white fur.
- 5 _____ seals are bigger than harbour seals.

Seals' whiskers help them to detect fish in the water around them.
