

# Puddle Dance

The rain has stopped at last.  
The garden is full of puddles.  
Lulu puts on her yellow raincoat  
and her yellow boots. She gets her  
yellow umbrella and goes outside.  
'Turn on the music and open the  
window, Mammy,' she shouts.  
Mammy opens the window and turns  
on the music.

'Yes!' shouts Lulu.

Then she jumps into the biggest puddle  
and does the puddle dance. Rex jumps  
into the puddle too. Water splashes  
everywhere.

'I love rainy days!' yells Lulu. ■
