

# Kitten in a Tree

Kate and Jeff ran into the kitchen.

'Mammy! Patch is stuck in a tree!'

'Great,' Mammy sighed.

She carried the big, heavy ladder over to the tree.

She went up the ladder. Jeff held it for her.

Just then, Patch jumped out of the tree.

Jeff let go of the ladder to catch Patch. The kitten fell into his arms.

When Jeff let go of the ladder, it started to shake. Mammy had to grab a branch of the tree. Then, with a clatter and a bang, the ladder fell to the ground.

Mammy began to shout. 'I'm stuck up here! Help!' ■
