

## Writing genre: Writing instructions

**Instructions** explain how to do something. They usually have:

- A list of things you need
- Step-by-step numbered instructions
- Bossy verbs

### Write instructions for the pictures.

The pictures show how to make a paper-plate frog.  
Write instructions to go with the pictures.

You will need:

Paper plate

Paint

Green and red card

Scissors

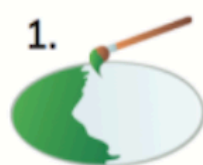

Glue

Felt pens

Cotton wool balls

## Oral language: Giving instructions

1. With a partner, imagine you are making up a puppet show.
2. Talk about what story you could tell using your puppets.
3. Think of some instructions.

**Examples:**

- Move the witch onto the stage.
- Make the clown look frightened.
