

# Design and Make a Sail Boat

## Equipment

- |       |                          |          |                          |                |                          |
|-------|--------------------------|----------|--------------------------|----------------|--------------------------|
| Cork  | <input type="checkbox"/> | Card     | <input type="checkbox"/> | Cocktail stick | <input type="checkbox"/> |
| Straw | <input type="checkbox"/> | Tissue   | <input type="checkbox"/> | Elastic band   | <input type="checkbox"/> |
| Paper | <input type="checkbox"/> | Scissors | <input type="checkbox"/> | Other          | _____                    |

Plan how you will make your sail boat.

## Result

Did you make your boat move?    Yes     No

## Evaluate

- 1 How did you make your boat move? \_\_\_\_\_  
\_\_\_\_\_
- 2 What material was your sail made from? \_\_\_\_\_  
\_\_\_\_\_
- 3 Was this a good choice? Explain your answer. \_\_\_\_\_
