

Seesaw instructions for the week commencing: 11th of May

This week I would like the children to write their answers to the five questions on their respective reading page for Wednesday, so the document named "1st reading 13052020" or "2nd reading 13052020." Additionally, when uploading the document I would like them to add a voice recording to it of them reading the page in their best reading voices.

This work can either be completed in a copy or a single ruled sheet and I will be looking for: Neat handwriting, a date, a title, their answers numbered using the margin, capital letters, full stops, commas etc.
