

Seesaw instructions for the week commencing: 18th of May

For this week, I would like the children to write their news as they normally would on a Monday morning in school. It would be great to hear about some of the nice things they have been doing over the past few weeks. They can do this in their copy and send it to me on Seesaw any day this week. Please note, I have not included the usual English work for Monday this week because of this.
