

Superboy^{to} the Rescue

What a windy day! Teacher asks James and Síle to empty all the papers into the Green Bin.

Oh no! The wind is blowing the paper everywhere. It is going all over the yard.

James and Síle can't catch it all!

Suddenly, Superboy flies by.

'Superboy to the rescue!' he shouts.

He flies at top speed. He is faster than the wind! Soon all the paper is back in the Green Bin.

'Thank you, Superboy!' shout the children. ■
