

Pentecost

Read the story. Draw a picture to go with it.

After Jesus' Ascension into heaven, his friends spent days together, praying. All of a sudden they felt something strange happening. The whole room was filled with a mighty wind. A bright light, like flames of fire, shone around them. Then they remembered the words of Jesus: 'I will ask the Father and he will send you a helper, the Holy Spirit, to be with you forever'. They knew that the words Jesus had said were coming true. When the Holy Spirit came to them, the friends of Jesus were filled with joy and courage. We call this day Pentecost.
