

# Breakfast is Served!

It was 'Mother's Day'.  
'Stay in bed, Mum,' ordered Tim.  
'I'm making breakfast.'  
'Oh goody,' said Mum, and closed her eyes.  
Tim put bread in the toaster. Then he poured a big glass of milk. Up popped the toast. It was very black. Tim spread jam all over it. Next he poured a bowl of cornflakes and milk. He put everything on the tray. The kitchen was a bit of a mess but Mum's breakfast looked good.

'Breakfast is served!' said Tim with a big grin. Then he tripped and the cornflakes, milk and toast landed all over Mum...  
'Thank you Tim!' laughed Mum, licking a blob of jam off her nose! ■
