

## Writing: Shape poems

In a **shape poem**, the words are in a special shape!  
The shape is usually to do with the topic of the poem.

### A Complete the shape poem.

Write a bit more, to complete the skipping rope shape.

### B Write your own shape poem.

1. Think of a sport or hobby you enjoy and draw its shape.  
**Examples:** a type of ball, a bike wheel, a paintbrush, a book
2. Inside the shape, write about the sport or hobby.
3. Use the words "You can..." if you like.
