

# The Ketchup King

There are three children in the Murphy family and two of them are fussy eaters.

Anna is the oldest and she will not eat peas. 'Take those peas away,' she cries if they are on her plate. 'I think I'm going to faint!'

Peter is the youngest and he will not eat potatoes.

Not even chips!

'Potatoes are gross!' he says. 'I simply cannot eat them in any shape or form!'

Jack is the middle Murphy and he is not a fussy eater! He will eat anything... as long as it is covered in ketchup! He even puts ketchup on his cornflakes. No wonder Dad calls him 'The Ketchup King'! ■
