

A tiger is frightening the birds.  
Tim has fought dragons but never a tiger.  
He takes his sword and his shield.  
He puts on his helmet and his cloak.  
He goes into the garden.  
Tim sees the tiger hiding in the bushes.  
'AAHHH!' he yells and charges.  
He waves his sword at the tiger.  
The tiger turns and runs away.  
The birds can eat safely again.  
Thanks to Tim! ■
