I will read number stories and solve problems.

**A** **In your copy.** Write a number sentence for only the **clowns**, **elephants** and **bicycles**. Write a number sentence for the whole band.

B **Draw 5 more and then count how many there are altogether.**
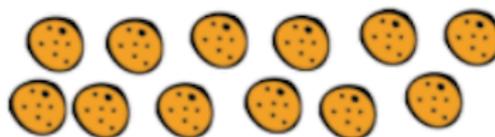

1.   John has **14** balloons.

Pat gives him **5** more.

Now, he has ☐ altogether.

14 + 5 = ☐

2.   Amy has **12** sweets.

Jane gives her **5** more.

Now, she has ☐ altogether.
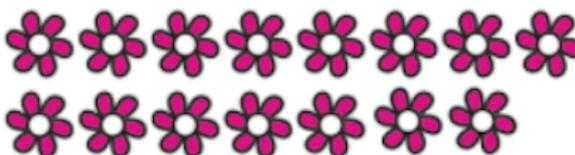

12 + ☐ = ☐

3.   Ben has **10** stars.

Teacher gives him **5** more.

Now he has ☐ altogether.

☐ + ☐ = ☐

4.   Mammy has **15** flowers.

Jimi gives her **5** more.

Now she has ☐ altogether.

15 + ☐ = ☐

C **Draw 3 of your favourite animals going into Noah's Ark 2 by 2.** Write a number sentence to show what you have drawn.
Tell the story to a friend.
