

The Kitten

Uncle Jack came over to the house. He had a box in his hands. He smiled at Lisa and Ben.

‘Look in the box,’ he said. It was a kitten. It had black and white fur. It had big green eyes. It was lovely! ‘Can we keep it?’ Ben and Lisa asked Mum.

‘You can, if you mind it,’ said Mum.

Lisa and Ben went to get some milk for their new pet. They were really happy. ■
