## WEBQUEST ACTIVITY

### **Society of Missionary Children**

Remind the children that a missionary is someone who accepts Jesus' mission to go and share the Good News of God's love with others. Then tell them that anyone can be a missionary – a priest, a mum, a dad, and even a child. Some people become missionaries by going to visit other countries.

Tell the children of one organisation of missionaries: the Society of Missionary Children. Explain that the Society is the oldest and largest children's charity in the world. It encourages children everywhere to pray together for each

other and for children living in poverty and fear. It also encourages children to share whatever they can, no matter how little, to help with those who are in need.

Then browse the website of the Society of Missionary Children and explore some of the projects which are supported by the organisation. Chat with the children about ways in which they might be able to support the work of the Society of Missionary Children.
