

Tell the story.

1. Work with a partner. Imagine you are about to land on an alien planet.

- What would you see?
- How would you feel?
- Would the aliens talk to you?
- What would you do together?

You can use the picture for ideas or make up your own.

2. Take it in turns to say a sentence about the alien planet.
3. Listen carefully as your partner says the next sentence.
4. Keep going until you have a fun story!
