

Head-In-Air Harry Meets Money-Mad Mark

Head-In-Air Harry was walking along the path not looking where he was going. He was looking up at a cloud that looked like a tiger. Money-Mad Mark was walking along the path not looking where he was going. He was looking for money on the ground.

CRASH!

They bumped into each other and landed flat on their backs on the path. They both burst out laughing and they have been best friends ever since! ■
