

A Pat on the Back

Think of all the things you have done this year.

You started this book a long time ago.

You read lots of other books.

You wrote some stories.

You did PLENTY of work in school.

You played with your friends.

You painted and drew pictures.

You helped at home.

You have got bigger.

You know lots more than a year ago.

Wow!

Well done.

You should give yourself

A big pat on the back. ■
