

VIDEO

Vox Pop

Play this video in which children talk about the different ways in which they have followed the Law of Love in First Class/P3. Having watched the video, ask the children to share their own answers to the question with the class. Help the rest of the children to say 'action' when each child starts and

'cut' when they finish. Conclude by reminding the children that they can continue to grow in love over the summer months by following Jesus' Law of Love. Explain that when we follow the Law of Love, we become more and more like Jesus.
