Sandeep's Day

Hi! My name is Sandeep. I moved to Ireland from India last summer. We lived in a city called Mumbai. I got the bus to school every day. I loved playing games with my friends at break time! My dad can play the sitar. People in India decorate their hands and feet with henna patterns. Women and girls wear a sari. Men and boys wear a dhoti.

How is life in Ireland **different** from life in India? Draw.

How is life in Ireland **similar** to life in India? Draw.
