

I will add up amounts and see what change I get.

A True or false? ✓ or ✗.

1. $\text{€}1 + 20\text{c} + 20\text{c} = \text{€}1.40$
2. 70c less than $\text{€}2$ is $\text{€}1.30$
3. Three 50c coins make $\text{€}1.75$
4. $\text{€}2$ less $\text{€}1.75$ is 50c
5. $\text{€}2$ less $\text{€}1$ is $\text{€}1$
