

Message in a Bottle

After his jog with Dad on the beach, Kevin wrote a message and put it in his water bottle.

Hi, whoever you are. My name is Kevin and I am 8 years old. I like jogging on the beach and I have a pet goldfish called Goldie. I live in 23 Woodland Grove, Smalltown, Ireland.

Then he threw the bottle into the sea. Imagine his surprise when he got a letter three weeks later.

Hi Kevin, I got your message. My name is Mona and I am 88 years old. I like knitting and I have a pet dog called Rex. I live in Canada. My phone number is 0019024564233. Do ring!
