

# Chocolate Dips

## CHOCOLATE DIPS

### What you need:

- 
- 
- 1 An adult helper!
  - 2 A big bar of dark or milk chocolate.
  - 3 Some grapes, strawberries, small slices of apple, segments of mandarin oranges, slices of banana. You can use other fruits as well, if you have them – cherries, slices of peaches, plums or kiwis.
  - 4 Cocktail sticks.
  - 5 Tinfoil.

### What you do:

- 
- 
- 1 Ask an adult to melt the chocolate in a bowl.
  - 2 Use the cocktail sticks to pick up the pieces of fruit, one at a time. Dip them halfway into the melted chocolate.
  - 3 Put the chocolate dips on the tinfoil to dry.
  - 4 Enjoy them... and don't forget to share!

### CHECK-UP

- 
- 1 What sort of chocolate is needed?
  - 2 List all the fruits that could be used.
  - 3 Why would you need cocktail sticks?
  - 4 Where should you put the chocolate dips to dry?
  - 5 Why must you have an adult helper?
