A Figure it out.

Mrs Furrytail and Mr Claws have nine cats in total. Mrs Furrytail has one more cat than Mr Claws. Mr Claws has a cat the colour of a pig and another with stripes and a long tail. He has a cat the colour of the sky. One of his cats ate lots of blueberries and turned purple! Mrs Furrytail has a dancing cat and a posh black cat. She has a cat that looks like a baby tiger. She also has a cat that runs away so she put a bell on it. Her favourite cat is the colour of an orange so she called him Fruity.

1. Write the correct name under each cat.

Pinky Dancer Tiger Runaway Blueberry Fruity Sky Stripes Posh

								Dancer								
F
