

Thursday, May 21st 2020

Good morning everyone. I saw some lovely writing of sentences and great photos of measuring with cut out feet!! Well done!

Quiet Work

Grow in Love: p51. You cannot visit the church at the moment but these pictures show the things you would see there. See if you can name them, then draw them in your workbook!

Baptismal Font Bells Bread Chalice
paten pew chair bible cloth

Jolly phonics: Todays sound is 'f'... Search around for 'f' words.

Draw as many as you can. I'd love to see your pictures.

Floor, food, fingers, feet, fence, frame, fish, fleece, flip flop, foil,
face, flap, four, five, flex!

Busy Work

Today we are going to create a **Junk Art Town** and/or **Carpark**. You will need boxes of any sort or size and you will need colours!

1. Open one box so it is flat. Draw roads and traffic lights, buildings and a park.
2. If you have plenty cardboard you can use it to make the buildings.
3. If you don't have any toy cars, you can draw them and cut them out. Leave about a centimetre under the wheels when cutting so you can fold that flap and the car will stand up!
4. Have lots of fun and take lots of photos!!
