

Junior and Senior Infants

Active at Home Week!

Good morning boys and girls! I hope you had a nice weekend. Active Week starts today so there'll be plenty activities to get you up and out each day! Some of the busy work ideas this week need toilet rolls/kitchen rolls/ plastic bottles/plastic cups/yogurt cartons string/rope/ribbon/balloons/socks!!

Start collecting today so you'll have them when you need them!

Quiet Work

Writing: Let's write news today. Remember to hold your pencil carefully and do your best writing.

Our News

Today is Monday.

We are doing our writing at home.

Active Week starts today so we will be busy every day!

Mathemagic: Juniors-skip to p72. For patterns you can pick any two colours for each line of pattern and there's room at the bottom for you to make your own pattern!

Seniors -p94. More means a number which is bigger than another number. Less means a number that is smaller than another number.

Busy Work

Today's challenge is to set up a *Pillowcase Race!*

1. Find an old pillowcase (Dad's Tee-shirt will do either!)
2. Set up a course - straight first, then around furniture!!
3. Sit on the pillowcase, hold the end and scoot along the track!
4. Time how long it takes to get from A-B and see if you can improve your speed next time!
5. If you have siblings then one can pull the other or take turns!!

Active Work

This activity can be done every day, preferably outdoors, but can be adapted for indoors if the weather isn't good!! Tick the correct box each day when you have the action done! Enjoy!!

PE Circuit Recording Sheet
