

# Monday, May 11<sup>th</sup> 2020

Good Morning boys and girls. I hope you had a nice weekend. I'm sure you're missing school and all your friends. I really miss you all too, but it is really important that we stay at home for another while to help all the nurses and doctors. As it is the Month of May I'd like you to say the 'Hail Mary' every day maybe at bedtime, and ask God to keep us all safe. *Mums and Dads make sure to request the SEESAW codes to my email: mtwallnutt@edmondstownns.ie so I can connect with the children!*

## Quiet Work

**Writing:** We will write some news today and I'd love to see it on SEESAW please! Concentrate on making finger spaces between each word (place index finger at the end of one word and put the pencil on the other side to mark where the new word should start!)

## Our News

Today is Monday.

It is a \_\_\_\_\_ day. (sunny/cold/windy/wet)

Yesterday I went for a \_\_\_\_\_. (walk/cycle/scoot)

I saw \_\_\_\_\_. (people/a dog/ a cat/birds)

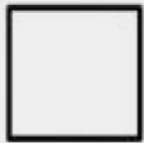

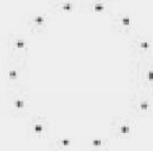

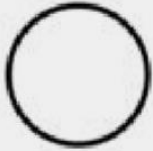

**Mathemagic: Juniors**-p80 Trace the 5s carefully and make sets of 5 with the pictures. You can draw some pictures yourself and make sets of 5.

**Seniors:** Do this shape worksheet. (If you can't print it then somebody might help to draw one for you that you can copy)

Write or cut out the words and stick them on.

Circle Square Triangle

Rectangle Oval Diamond

## Busy Work

Today's challenge is a 'Rainbow Scavenger Hunt'

### Rainbow Hunt

Go on a rainbow scavenger hunt or make up your own!

#### RAINBOW SCAVENGER HUNT

-  Find something red.
-  Find something yellow.
-  Find something orange.
-  Find something green.
-  Find something blue.
-  Find something purple.
-  Name a fruit that is red.
-  Name an animal that is yellow.
-  Name a vegetable that is orange.
-  Name a plant that is green.
-  Name a flower that is purple.
-  Name something outside that is blue.

### Board Games

Put all the things you find in the order of the rainbow colours. If you can't find something to match the colour around your house, then draw something and colour it in that particular colour so you can complete the rainbow colour picture.

## Nature Walk

When I was on my daily walk over the weekend I took some photos of Spring plants! See if you can match the names to the pictures. And when you go for a walk see if you can spot some of them!

Dandelion

daisy

buttercup

Primrose

dandelion puff

bluebells
