

Junior and Senior Infants

Good morning everyone. I hope you had a nice weekend. Today is Tuesday. What is the weather like where you are? It's very windy where I am so I will hang out washing because it will dry quickly in the wind!

Quiet Work

Juniors – skip to p79 and practise your 5s carefully

Seniors –Do the sums here. Then use your dice to make some more sums.

A worksheet titled "Addition" with a back arrow icon in the top left corner. It contains six rows of addition problems. Each problem consists of two dice faces (represented by dots) followed by a plus sign, an equals sign, and a box for the answer. The first row is pre-filled with the answer 5. A magnifying glass icon is in the bottom right corner.

Die 1	Die 2	Sum
3	2	5
5	3	
2	3	
6	3	
4	1	
2	1
