

Junior and Senior Infants

Good morning girls and boys. It's Wednesday, PE day today, so be sure to check out the Active Work section for fun things to do today.

Quiet Work

Writing: Let's write 'Our News' today. I will write the start of the sentences and you can fill in what's missing. Try to sound out what you want to write, or put in the first sound and Mum or Dad can help with the rest.

Our News

Today is _____.

It is a _____ day. (sunny, windy, dull, cloudy)

Yesterday I went out to _____. (walk, scoot, cycle)

I watched _____ on TV!

Grow in Love: p48 The story of King Solomon (Mini version on p49, or check out the website - Theme 8, Lesson 1)

This is the wall of the house that Solomon built for the people. You have to finish the, then colour it, and then draw the people going in to pray!

Busy Work

Today your busy work is to play I -SPY!

Sit at the window (upstairs might work better) and look out and see if you can spy any of the items on the list below. Each time you spot one put a tick beside the word. When you're finished you can count up and see which thing you saw most of!! Enjoy!

Item	Ticks	Number
cars 		
birds 		
vans 		
people 		
 dogs		

Active Work

Today's Active work is balloon balance or ball balance!

You need a racket, or a frying pan, or a plastic plate and a balloon or a ball or sockball!

1. Place the balloon on the racket and stay very still while you see how long you can hold it without dropping it!
2. This time you can walk very slowly around ...stop when you drop!
3. Now try walking a little faster!
4. Maybe a run with the balloon on the racket?
5. See if you can bounce the balloon on the racket!
6. As an extra challenge try starting in a standing position, then kneel on one knee, then the other, then get up again!!!

Have fun!
