

Friday, May 29th 2020

It's Friday already! The week has gone really fast because you have been so busy! This weekend is a Bank Holiday, so you don't have to do school work again until next Wednesday!! Enjoy the weekend and remember to wash your hands and be extra good for your Mum and Dad!

Quiet Work

Mathemagic: Juniors:p84 Count all the pictures. Write the number. Compare to the other sets. More than/less than. Use the coloured squares at the bottom of the page to practice prepositions... beside, above, under etc..

Seniors: p102 When the balance is the same on both sides then the two items are the *same weight*. Hold two apples or bananas or shoes, one in each hand and feel what *the same* means. Then keep the fruit in one hand and find other things to put on the other hand and feel the difference-Can you tell which is **heavier**, or **lighter**, or are they both the **same weight**? (This a very difficult concept, so don't worry if your child doesn't seem to **get it**!)

Feelings: Draw a face to match the feeling! No need to print!

Emotions: Can you draw the faces?

I'm happy

I'm sad

I'm sleepy

I'm afraid

I'm angry

I'm hot

Phonics: Look at the pictures below and sound out the word. Can you guess the correct start sound? Draw the pictures and write the words. *(no need to print this!)*

Name: _____

Beginning Sounds

Directions: Look at each picture. Write the beginning sounds. Color the pictures.

Busy Work

Today we're going to make a bubble snake!!

1. You will need a plastic bottle, a sock and an elastic band or hair bobbin. (String will do too!)
2. Cut the wide end off the bottle (an adult will need to assist!).
3. Put the sock over the wide and secure it with the rubber band.
4. Make bubble mixture with washing up liquid and water.
5. Pour the mixture into the bottle and BLOW!!

Active Work

Today you can play '**Roll a Task!**'

You will need a dice! Throw the dice and whichever number of dots comes up check the chart below to see what exercise you have to do!!
