Good morning everyone. Today is Thursday. You have all been busy drawing and making things this week. Thank you all for doing such great work. Remember to say 'Hail Mary' for the doctors and nurses.

Quiet Work

Grow in Love: p53 *If you have managed to find some photos of your child's Baptism, then have a chat about who was there and who the Godparents are. Were there other babies baptised that day? You might need the cert to remember who the priest was!!*

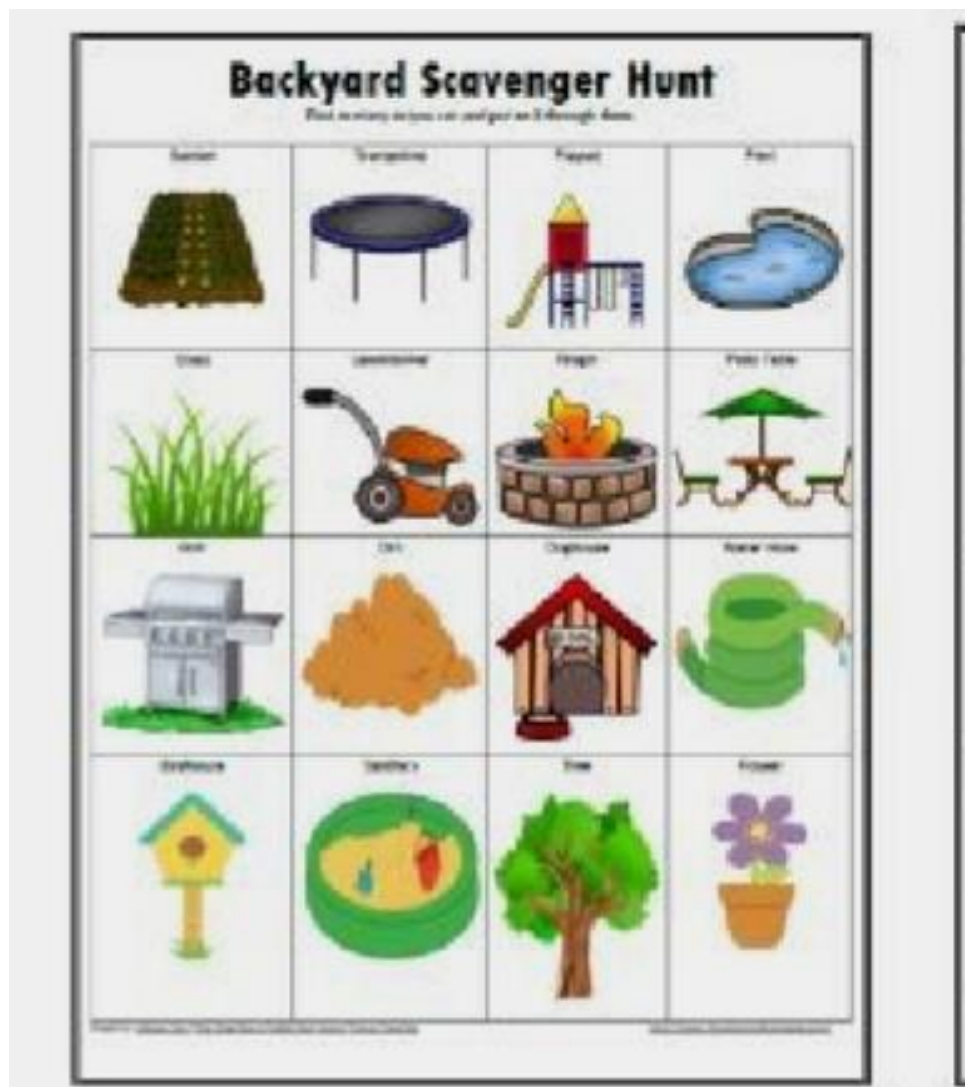

Living Things: Remember the groups of living things? People, animals and plants! Fold a page in two, then draw the living things from this picture on one half and the non-living things on the other!

Busy Work

Today you can do a ***Backyard Scavenger Hunt!***

Check the pictures on this chart and see if you can name them. Then see if you can find them in your garden or backyard! (The text is difficult to read but most pictures are identifiable other than the first which is a vegetable patch and the one beside the BBQ is a mound of earth!)

OR you can make a drum kit (if Mum's head can cope!) Checkout the picture below for an idea as to how it works!! Play loud music and have a good old Jam session!! I would LOVE to hear recordings of this!!!

Band Jam

Use pots and pans to create your own drum kit and rock on!
