

Tuesday, May 26th 2020

It's Tuesday today. Did you try the *shape people* or the *weather chart* yesterday? If so, be sure to send me pictures on Seesaw. I plan to collect all the photos you send me of your time working at home, so we can have keep them together to show future pupils in Edmondstown how we spent the Lockdown of 2020!!

Quiet Work

Grow in Love: p52 -If you can't locate the story of Elizabeth you can chat to your child about his/her own Baptism. The candle, the white shawl and the Holy Water are the items needed!!

What a wonderful world: p49. Draw a picture of a person at each age. Or cut out pictures from a magazine. Or use family photographs! Talk about what you could/will do at each age.

Feelings: Look at all the faces on the sheet below and see if you can identify the feeling that goes with each face! Think about the times when you feel happy, sad, etc.. Draw the faces and write the words. I'd like to see your pictures on Seesaw!!

Relaciona cada cara con su estado de ánimo. Colorea los dibujos.

	happy
	sad
	angry
	scared
	surprised

Busy Work

Today the challenge is to make ***blow football!***

First you will need a cereal box or any cardboard you can find. Draw a football pitch and make two goals with cardboard (draw them if it's easier). If you have a ping pong ball that would be great. If not, roll tinfoil to make a small ball or use cotton wool balls.

Then you need a straw for each player. If you do not have straws you might find one in a drinks bottle or a soap dispenser or a carton of juice that would work!!

Place the ball in the centre and use the straw to blow it towards the goal!!

You can use lego to make a stand for the spectators!
