To draw/colour:

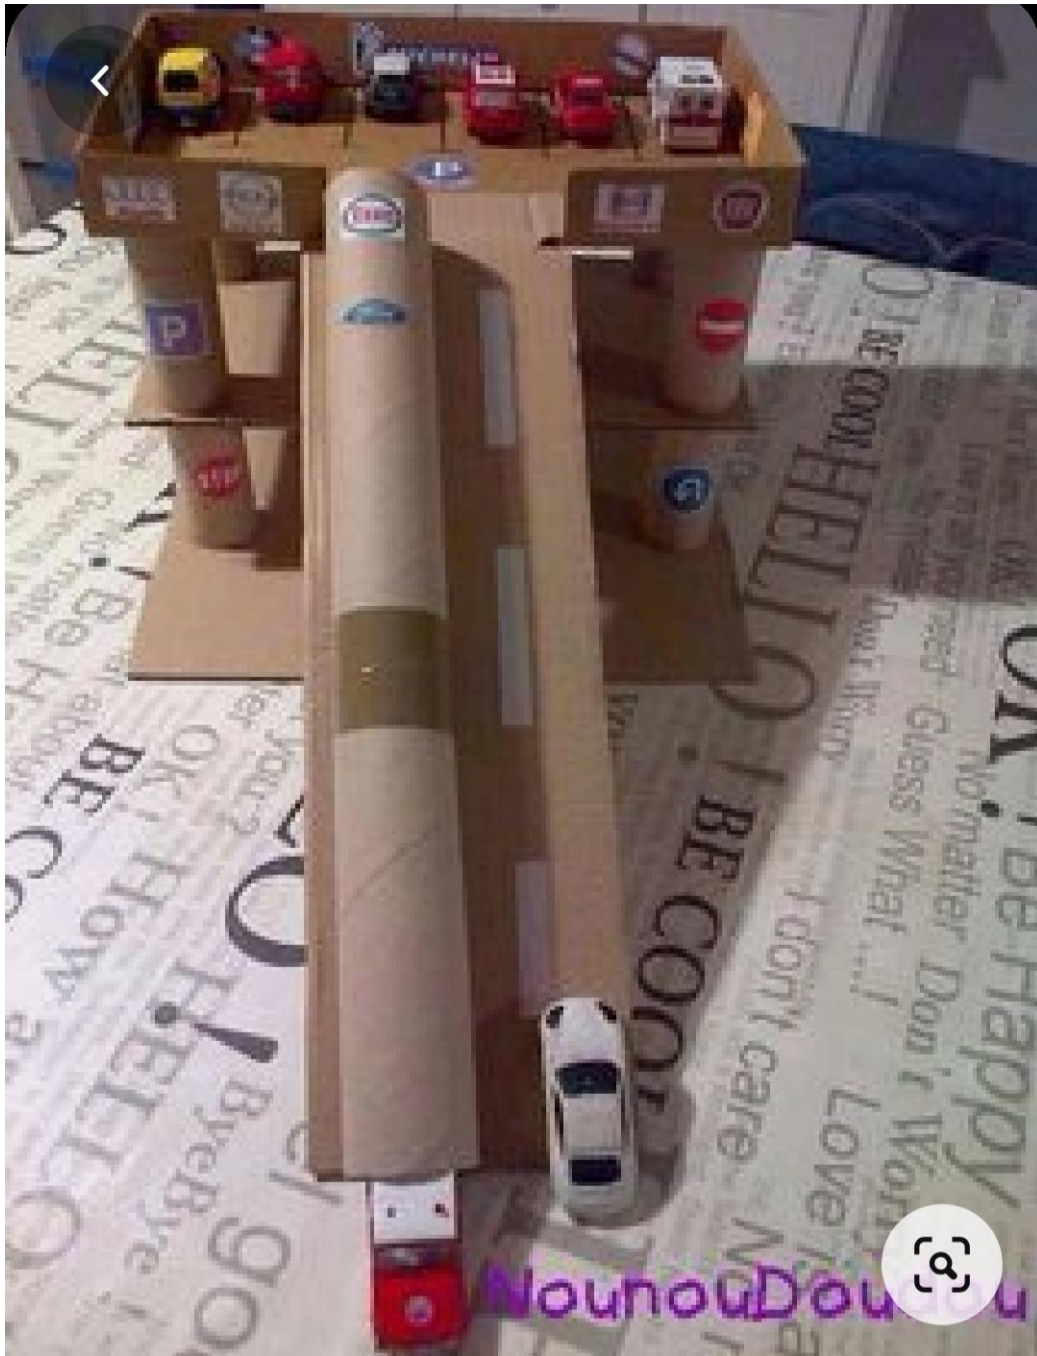

What a wonderful World – p56

Here are some ideas for drawing or making your own treasure map!

To Make:

A multi storey car park. I hope you have lots of toilet/kitchen roll holders !!

Remember if you don't have cars then make some or use blocks for travelling on the ramp!!

To Do: The Shark Run Challenge!

You need two cushions or pillows. Stand on one cushion (no shoes!). Place the other directly in front of you and step onto it. Then take the first one and put it in front again. Keep going until you reach the end line!
