

Monday, June 8th 2020

Good morning boys and girls! You have been so good at working at home over the past few weeks, I am so proud of you all. If we were in school at this time of the year we would be doing lots of fun things like playing outside, having picnics, doing lots of art and PE. So, as we head towards the end of the school year I am going to change the routine we have become used to and give you fun things to do! Each day I will list three things – One to draw or colour, another to make and finally one to do!! You can do any or all of them. *(Parents, if you wish to continue some quiet time work you can do news or tricky word sentences – pick any words from a story book-or a sound hunt. Also number practice can be continued if you feel the need. Any work that has not been covered from the books will be done when we return to school.)*

Colour/Draw

To Make:

TO DO:

You can make these into a card game by drawing the animal on paper or card cut into playing card sizes!
