

# Thursday, June 4<sup>th</sup> 2020

Good morning girls and boys! I hope you had fun doing the super hero exercises yesterday! I'd love to see some photos!!

## Quiet Work

**Grow in Love: pages 54 and 55.** John was Jesus' cousin and he told the people about Jesus and *His* message of being kind and to share, to pray and the importance of saying sorry! John baptised people in the river! Lots of people queued up to be baptised!!

**Jolly phonics:** This picture has lots of 's' words to find, draw and colour! If your child can't see the sheet they can do an 's' sound hunt around the house/garden...sleeve, sock, sounds, socket, sand, sliding door, swing, slide, screen, sink, soap, suncream...

## Busy Work

**Weighing Fun...**Get out the kitchen scales and start weighing!! You will need to find lots of things to weigh (not too heavy!). Make a grid like the one below and record your guess (in grammes) and the result!! Things you could weigh include; a sock, a piece of lego, a phone, a photo, a biscuit, a ball, a card or a key!

Item	Guess	Result
	grammes	grammes
	g	g
		
		

**OR** Why not make some binoculars to help with your scavenger hunt!  
You will need two toilet roll holders, some string and some coloured paper or paper you can decorate!!

1. Decorate each toilet roll holder with lots of colours.
2. Join the holders together with sellotape, glue or even another piece of card to secure them.
3. Add some string enough to go over your head!!
4. Off you go and enjoy hunting!! (I'd love to see photos please!)
