Monday Literacy

Grammar : Commas

We use commas to separate words in lists.

Example: My aunt sent me to the shop to buy bread, cheese, milk and tomatoes. Do not use a comma before the word and. Re-write these sentences adding commas in the correct place.

1. Jack was delighted when his friends Tom Derek and Paul dropped a card at his door for his birthday.
2. May April January and March are all months in the first half of the year.
3. Mark Annie and John all work in the local coffee shop during the summer.
4. "Can I buy a new pencil rubber and glue stick before September" asked Peter.
5. My favourite school subjects are Maths Geography Science and Art!

Complete these sentences by listing words and using commas.

1. _____ are the best four books I have ever read.
2. My favourite three outside activities are _____
3. Five countries I would love to visit are _____
