

Notification regarding the Board of Management's annual review of the Child Safeguarding Statement & Risk Assessment

To: Education Secretariat, Parents' Association & all Parents

The Board of Management of Edmondstown National School wishes to inform you that due to a new template document being introduced by the Department of Education, the Board of Management has carried out a further review of the Child Safeguarding Statement and Risk Assessment. This was conducted using the checklist provided in the "Child Protection Procedures for Primary & Post Primary Schools 2017".

All policies are available to read under the "Policies" tab of the school website.
