Seesaw-WC-15th of June

For art this week I would like the children, with your assistance, to browse through the many activities available from the Art for Kids Hub. Once they have selected one, they can complete the activity themselves and then upload a photo of the finished piece to Seesaw.

Virtual Sports Day

Mr. Dunne is compiling a playlist of music for the upcoming Virtual Sports Day and would like the children to contribute some song choices. You can send your song choices to me via Seesaw and I will pass them on to Mr. Dunne.
