

One day, a garda came to the school. She was very friendly. She let Manu put on her hat. The garda had handcuffs, a baton and a walkie-talkie. Manu wanted to put the handcuffs on. The garda said that they were only for robbers.

'I wish I was a robber,' said Manu.

Everyone laughed. Then the garda drove away in her squad car.

'I wish I was a garda,' said Manu.

'Make up your mind!' laughed Teacher. ■
