

WEEK TEN

WEEK TEN ACTIVITIES

This pack contains work that can be completed by students at home during this time. Teachers understand the stress that can be caused by completing school work at home and it is important to remember that it is at the discretion of the parents as to when / if it is done! Work is to be completed in copies, where possible, on sheets of paper or a notebook at home.

MATHS	LITERACY
<p data-bbox="120 842 1055 948">One math task page per day: these are labelled Monday - Friday.</p> <p data-bbox="188 1027 981 1066">Practice number facts and times tables.</p>	<p data-bbox="1151 842 2130 948">Read for at least 15 minutes per day. Monday Literacy

Grammar : Contractions

Contractions are words and phrases that can be shortened by taking away some letters and sometimes adding an apostrophe in the place of the missing letters.

Match the contractions to the words below

we're	we are
it's	have not
couldn't	she is
I'll	I will
she's	would not
aren't	it is
haven't	did not
didn't	could not

Form the correct contraction to fill out these sentences.

1. I _____ seen the new Batman movie yet because the cinemas are closed. (have not)
2. The little girl _____ cycle her bike without stabilisers yet but she continued to practise. (could not)
3. Don't worry, _____ be back on the football pitch very soon! (we will)

(a) 129 (b) 278 (c) 881 (d) 303

Writing Wednesday

Persuasive Writing : Advertising

Persuasive texts are written to argue or persuade. Ads use humour, imagery, emotive language and exaggeration to attract the reader's attention!

INSTRUCTIONS:

1. Design a new product. It can be something that already exists or something from your imagination!
2. Brainstorm a list of ways that the target audience would be interested.
3. Write a short advertisement that could go on a billboard or in the newspaper!

Thursday Maths

Number of the Day: 900

1. Is it odd or even?
2. What is one number before it?
3. Jump back ten.
4. What is half of this number?
5. Write a word problem using subtraction (take away) where the answer is 900.
6. 900, 850, ----, ----, 700, ----, ----, ----, ----.
7. What is the difference between 900 and 750?
8. Write these fractions in order from smallest to biggest.
0.1 0.2 1.2
9. What shape are the faces of a cuboid?
10. ---- cm = 4 m
11. A farmer collects eggs every 6 hours during the day. He collects 100 eggs per day - how many eggs does he collect?

Thursday Literacy

Oral Language and Communication: Persuasive Argument Skills

Advertisers use persuasive language to persuade people to buy products. Prepare your own oral advertisement for the best 'cookies ever'. Use these tips to help you.

Use descriptive words like:

Tasty

Delicious

Good value

Crunchy

Wonderful

Incredible

Give details of
the product

Tell the
consumer why
they should
buy these
cookies

Have a target
audience in
mind.

Consider using
humour!

END OF THE WEEK REVISION

Number of the Day: 987

1. Is it odd or even?
2. Round to the nearest 10.
3. Round to the nearest 100.
