

WEEK

SIX

WEEK SIX ACTIVITIES

This pack contains work that can be completed by students at home during this time. Teachers understand the stress that can be caused by completing school work at home and it is important to remember that it is at the discretion of the parents as to when / if it is done! Work is to be completed in copies, where possible, on sheets of paper or a notebook at home.

Writing Wednesday

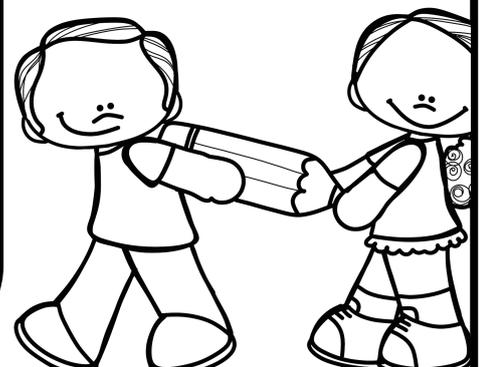

Persuasive Writing

Persuasive writing argues an opinion. It attempts to convince the reader to agree with the author's point of view. Choose one of the comments below and write a short persuasive piece arguing for or against it!

- Children should finish home learning at 1pm each day.
- People should be allowed to adopt a dog during lockdown.
- All children should have to wear school uniforms when they return to school.
- TV adverts for fizzy drinks and unhealthy food should be banned!

INSTRUCTIONS:

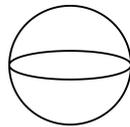

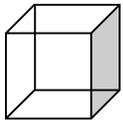

1. State your argument.
2. Give three reasons WHY you think your argument makes sense.
3. Back each reason up with evidence.
4. Conclude and use persuasive language to finish your argument.

Thursday Maths

Number of the Day: 670

1. Is it odd or even?
2. What is one number before it?
3. Jump back ten.
4. What is half of this number?
5. What is the value of the seven?
6. Write a word problem using subtraction (take away) where the answer is 670.
7. 670, 660, ---, ---, 630, ---, ---, ---, ---.
8. Add the faces of all these shapes together?

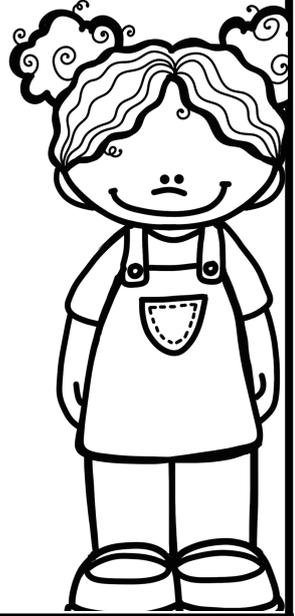

9. What is the difference between 200 and 70?
10. Write these fractions in order from smallest to biggest.

Thursday Literacy

Oral Language and Communication: Conversations

It is important to keep in contact with your friends and relatives whilst you are learning from home. Today, call a friend or relative on the phone and ask them some of the questions below.

Tell them five things you have done this week!

Describe one thing you are enjoying at the moment.

Ask them if they are feeling okay!

Remind them to keep in touch!

Offer to help them out with something if you can.

Describe a delicious dinner you ate recently. Share the recipe if you can!

Ask them what they are looking forward to doing in the next few weeks.

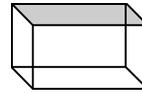

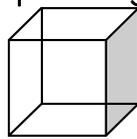

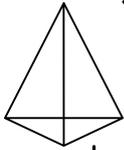

Talk about the work you have done this week!

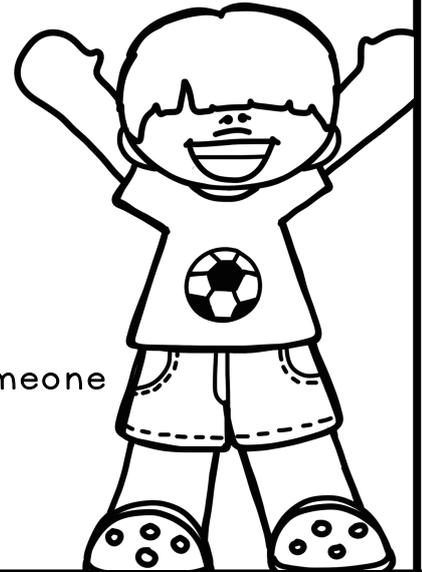

Friday Maths

Number of the Day: 724

1. Is it odd or even?
2. Round to the nearest 10.
3. Round to the nearest 100.
4. Jump back 10.
5. Jump forward 20.
6. 724, 719, 714, ____, ____, ____, ____.
7. Write a word problem where the answer is 724.
8. Add the edges of the following shapes together:

9. Write out your 4 times tables and practice them!
10. Make your own number of the day template and ask someone in your family to solve it!

HAVE A GREAT WEEKEND!
