

WEEK

TWO

WEEK TWO ACTIVITIES

This pack contains work that can be completed by students at home during this time. Teachers understand the stress that can be caused by completing school work at home and it is important to remember that it is at the discretion of the parents as to when / if it is done! Work is to be completed in copies, where possible, on sheets of paper or a notebook at home.

| MATHS | LITERACY |
|---|--|
| <p>One math task page per day: these are labelled Monday - Friday.</p> <p>Practice number facts and times tables.</p> | <p>Read for at least 15 minutes per day. Thursday Literacy

Oral Language and Communication

It is important to keep in contact with your friends and relatives whilst you are learning from home. Today, write a letter to a grandparent, neighbour or family member.

Here are a few topics to you could include!

Tell them what you have been up to this week.

Describe one thing you are enjoying at the moment.

Ask them how they are feeling at the moment

Remind them to write back or call or text you!

Ask them if you can do anything to help them

Tell them how your pets, siblings or friends are getting on!

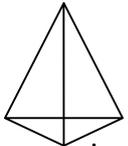

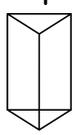

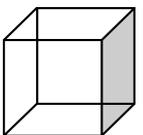

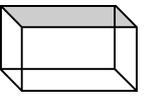

Ask them what they are doing to pass the time each day!

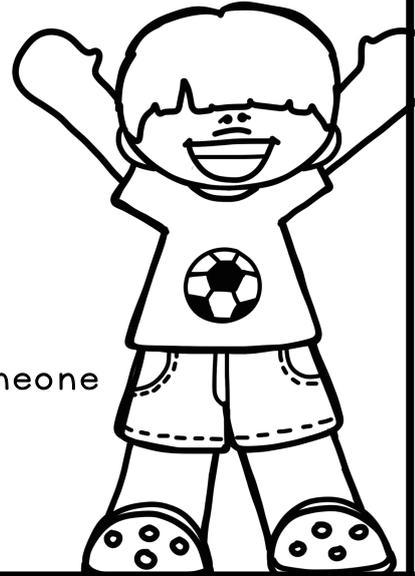

Talk about the work you have done this week!

Friday Maths

Number of the Day: 617

1. Is it odd or even?
2. Round to the nearest 10.
3. Round to the nearest 100.
4. Jump back 10.
5. Jump forward 20.
6. 617, 619, 621, ----, ----, ----, ----.
7. Write a word problem where the answer is 617.
8. Name the following shapes:
   
9. Write out your three times tables and practice them!
10. Make your own number of the day template and ask someone in your family to solve it!

HAVE A GREAT WEEKEND!
